Homecoming

The lineup of events now is complete for Homecoming '71 at The University of Alberta.

According to A. G. MARKLE, Executive Secretary of the Alumni Association, about 300 alumni and their wives or husbands are expected to come back to the University this weekend. Mr. Markle and CON KOSOWAN, President of the Alumni Association, are calling the plays for much of the alumni

entertainment during Homecoming.

The weekend will officially begin with a "Meet the Profs" wine and cheese tasting party Friday at 8 p.m. at the Faculty Club.

A "pre-game warmup" and luncheon will be given for alumni Saturday from 12:30 to 2 p.m. in The Ship in Lister Hall.

LOUIS DESROCHERS, Chancellor of the University, will handle the opening kickoff Saturday when the Golden Bears meet the University of Saskatchewan Huskies at 2 p.m. at Varsity Stadium.

Half-time entertainment at the game will include the annual Powder Puff bowl

between the nurses of the Royal Alexandra Hospital and the University Hospital.

Saturday evening there will be a banquet and ball for alumni at Lister Hall. This year's honored classes are the Silver class of 1946 and the Gold class of 1921.

Homecoming '71 will conclude with a Wauneita Society tea in Room at the Top of the Students' Union Building and Interfraternity Council campus tours Sunday.

Tickets for all Homecoming events are available at Mike's News Stand, 10062 Jasper Avenue, and at the Alumni Office, sixth floor, Students' Union Building.

The United Community Fund OF GREATER EDMONTON

As members of The University of Alberta we are all citizens of Greater Edmonton, whether we live in the city itself or in the suburban areas, and we share in the responsibility of making Edmonton and its suburbs a good place in which to live.

One way in which this can be done is by providing social agencies such as the YMCA and YWCA, Boy Scouts and Girl Guides, Family Service Association, CNIB, day nurseries, John Howard Society, and many others. Each of these deserves the support of Edmonton citizens and many people would be prepared to contribute to several of the nearly fifty agencies which have combined in the United Community Fund to issue an annual appeal for support.

We would like to thank those members of the University who have contributed in the past, but the participation is still much too low—only 15 per cent. This year we must increase the number of those contributing if we are to do our fair share. The 1971 Campaign is now going on and the committee would urge each member of the faculty and staff to pledge a total sum, preferably through payroll giving, to support the nearly fifty agencies working to make our city a better place in which to live. The need is greater this year than it has ever been, and greater support is essential. In the words of the 1971 Campaign: "If you don't do it, it won't get done."
